United Way/Labor Food Center

Our Food Center is a coalition between the Labor Movement and United Way. It first opened in 1988 on the campus of Uncas on Thames in Norwich. Today, our Food Center collects and distributes food to more than 90 programs including community meal sites, shelters for the homeless, afterschool programs, food pantries and programs for the elderly.

Through this successful partnership, our Food Center has become the premier anti-hunger program in southeastern Connecticut providing more than **three million** meals to the hungry in our community.

On behalf of Organized Labor & United Way we would like to take this opportunity to thank you for supporting our Food Center, its food distribution sites and the families in our community who receive their assistance.
